

Metro & Sauvie Island Organics Hedgerow Farm Walk

A close up look at conservation hedgerows
as habitat for beneficial organisms on
and off the farm

Portland, OR Friday, August 18th

2:00 - 5:00 pm

Veggie Potluck after Walk

If you are interested in hedgerows then this walk is for you!

Afternoon farm walk for growers and conservationists on an established organic vegetable farm bordered by Metro's conservation hedgerow

- ✳ Come share an afternoon with the expert farmers of SIO,
- ✳ Metro movers and shakers and area conservationists,
- ✳ learn about making farm margins come to life
- ✳ conservation of pollinators and other beneficial insects
- ✳ and a little insect biology, sampling and ID
- ✳ Call 541-737-6272 for more information

This is another **BYOB** (bring your own bug) event sponsored by IPPC's Farmscaping for Beneficials Project at OSU, Xerces Society, Sauvie Island Organics and Metro
